

Cambrionix has moved from hardware-only, to a solutions based model.

All Cambrionix hubs are now available exclusively as solutions, including a Cambrionix hub, lifetime access to our Connect Standard software, a Connect Premium software licence, warranty and dedicated global support with a 24-hour SLA.

The duration of solution varies by hardware model.

ThunderSync5-C16 PD	ThunderSync3-C10	ThunderSync3-16	SuperSync15	PDSync-C4
				
3-year solution*	1-year solution*			
\$2,499 £1,999 €2,499	\$1,499 £1,249 €1,499	\$1,999 £1,599 €1,999	\$699 £549 €699	\$549 £449 €549

Solution	3-year solution*	1-year solution*
Software	Lifetime Connect Standard	
Premium software	3 years of Connect Premium	1 year of Connect Premium
Warranty	3 years	2 years
Support (Global with 24-hour SLA)	3 years	2 years

*Solution durations start from the date of hub purchase.

All existing Cambrionix customers receive FREE access to Connect Premium from until 31/03/2026.

Every Cambrionix hub includes a host cable, power supply and region specific power adaptor.

Prices exclude taxes and shipping, which will be calculated at checkout, or displayed within your quote provided by our sales team.
